

The Discipleship Ministry Team is requesting 1 internship role. Typically, we have had two interns with one dedicated to LifeCare ministry. However, we would like to explore LifeCare as being a component for some/all of the 2019 intern class. The rationale behind this is due to the unknown and sporadic nature of responding to care/crisis needs.

Position Description

The Discipleship Internship is a 40 hr per week role designed to provide a comprehensive, local-church discipleship experience for a qualified intern candidate. The responsibilities for the role are as follows:
